WOODLANDS GARDEN FALL PLANT SALES BEGIN SEPTEMBER 11

DECATUR, Ga. – Sundays this fall will be a chance for visitors to add to their own garden with Woodlands Garden’s Fall Plant Sale. The fundraiser allows visitors to enjoy some shopping while helping out their local community.

The sale will run every Sunday from Sept. 11 to Oct. 23 from 12:30 p.m. to 4:30 p.m. and will include plants that have been grown by volunteers, cultivated at the Garden and donated by local nurseries. This year’s Fall Plant Sale will have the most diverse selection of plants that the volunteer-led Plant Sale Committee has been able to offer, including trees, shrubs, perennials, and groundcovers.

The Garden’s Executive Director, Kate Baltzell, finds this plant sale to be a unique experience. “Garden visitors will get a chance to enjoy an informative shopping experience under the tree canopy with expert DeKalb County Master Gardeners assisting in plant selection,” she says. “Plant lovers, and those with new green thumbs, will take home a piece of Woodlands for their own backyard while supporting an important Decatur greenspace.”

The Fall Plant Sale Kickoff SALE-avration on Sept. 11 will include tours of Woodlands, guided talks led by local plant enthusiasts and activities for youth. All proceeds from the sale will go to preserving Woodlands Garden.

For more information, contact Baltzell at (404) 373-2222 or visit www.woodlandsgarden.org.

Woodlands Garden's mission is to preserve a woodland garden as an urban sanctuary for educating and engaging the community in the natural world.
