Free Memory Screenings Offered

The Mississippi Department of Mental Health Division of Alzheimer's Disease & Other Dementia is hosting free memory screenings Friday, Nov. 9 from 9 a.m. to 4 p.m. on the first floor of Forrest General Hospital in Forrest General's meeting rooms near the cafeteria.

In conjunction with Alzheimer's Awareness Month, these free sessions are open to the public and are expected to take only 15 minutes to complete. While the screenings are not intended to be diagnostic evaluations, they may help uncover early signs of memory impairment and/or dementia.

If you would like to participate, please call CP&D at 601-268-5606 to register.

In Their Footsteps: Experiencing Alzheimer's (A Virtual Tour)

The Neurological Research Center at Hattiesburg Clinic and the Mississippi Department of Mental Health Division of Alzheimer's Disease & Other Dementia are putting on an Alzheimer's awareness program on Tuesday, Nov. 13, where members of the community can participate in a free virtual dementia tour to experience how it feels to have Alzheimer's disease.

The tour will be held in the main clinic on the second floor in the Cedar, Cypress and Poplar rooms.

Each tour will last about an hour. For the tour, participants will put on glasses, gloves and headphones and will be asked to complete simple tasks that become difficult with dementia. Registration is required. Call 601-268-5606 for more information or to register.
